

I'm Hurting Jesus
Love Your Neighbor(hood) series
Pastor Chris Famisaran

Matthew 14:13-22

Just like Jesus, we are not immune to heartache.

Jesus took time to find a solitary place to grieve, then continued to serve the people.

Jesus pushed the disciples to play key roles in ministering to others.

Reflection: Where in your life has pain and struggle helped or challenged your faith?

Challenge: Find someone you know who is struggling or grieving by listening and praying for them.
