

# The Church and The Challenging Road Ahead

## by Bill Aumack

1. We need to be transparent and honest about our past.

Romans 12:18

2. We need to be intentional in the present about what we teach and how we teach it.

Romans 10:13-15

Deuteronomy 6:6-9

3. We need to tackle the tough issues of our society.

Reflection: Are you being intentional enough with your Christian walk, that others will know that you're a Christian?

Challenge: Be intentional and use words to talk about Jesus with someone this week.
