

**Lesson #19- Matthew Chapter 18 Questions for Discussion:**

1. Read and discuss the first fourteen verses of this chapter.
2. Based on verses 15-17, what are we commanded to do when a fellow brother or sister does wrong to us? Include in your discussion why we often handle offences differently than the way Jesus tells us to in this passage and what are the results.

3. In verses 18-20 Jesus gives what we commonly refer to as the law of binding and loosing. How do you understand this teaching?

4. Peter asks Jesus how often he should forgive his brother and seems to think seven times is pretty liberal. Jesus has a completely different command than what Peter expected. What did Jesus say and what is the basis of His answer?
