

**Lesson #25- Matthew Chapter 24 Questions for Discussion:**

1. In chapter 24 we find what is commonly referred to as the Olivet discourse. What led up to Jesus' prophetic teachings concerning His return and what do you think are the implications of the destruction of the temple?
2. The disciples have three questions for Jesus following His declaration that the temple they so loved and admired would be utterly destroyed. Which of the three questions did Jesus not answer and why do you think He didn't provide that answer?

3. Verses 4-31 answer the disciple's questions about signs... the signs of Jesus' coming and the signs of the end of the world. Additionally, though He doesn't tell them when, He tells them what to look for concerning the destruction of the temple.

Discuss these verses and consider:

- Has the prophesy already been fulfilled? (many apply the entire Olivet discourse to end-time events)
- In what historic events might some of these prophesies have been fulfilled?
- What important applications can we make for us today

4. Discuss verses 32-51, as Jesus explains what we should grasp from these teachings to this point.
