Declaring Hope

Week 4: Condemnation and Forgiveness

Scripture: Psalm 103; Ephesians 1:1-10; Colossians 1:3-14; Romans Road to Salvation: Romans 3:23, Romans 5:8, Romans 6:23, Romans 8:1, Romans 10:9

Small Group Questions:

- 1) What is one of the most profound stories of forgiveness you've ever witnessed or experienced? What made it so powerful?
- 2) In our world we are very quick to condemn but slow to forgive and reconcile. How is that different from what we see from God's character and approach to condemnation and forgiveness, even throughout the Old Testament?
- 3) The enemy-love of God and the radical forgiveness of Christ was a source of controversy and tension for God's people throughout scripture. What are some stories about Jesus in the gospels that communicate God's forgiveness in a world that seeks to condemn?
- 4) Even though God has forgiven us, we can be slow to forgive ourselves. When we were yet sinners, Christ died for us (Romans 5:8) and rose from the grave so that we could take on a new identity as saints. How does the identity of "saint" or "sinner" resonate with you? Are you drawn toward one more than the other? Do you find either of them uncomfortable?
- 5) What is the difference between "shame" and "conviction"? How have you experienced them? How has Christ's forgiveness made a difference in your life? Has it changed how you treat yourself and others?

NOTES

40 DAYS OF PRAYER & FASTING

"Be joyful in hope, patient in affliction, faithful in prayer." - Romans 12:12

Pray for those who are living in condemnation that they would encounter, receive, and extend the forgiveness of Christ.
