May's Mission Partner Spotlight

Spry Food Pantry

The Spry Food Pantry has been in existence for approximately 25 years. Here at Spry SSC we pack 35-40 boxes every Thursday morning and 12-15 on the 2nd Monday of the month, which is approximately 175-200 households per month. In each box, we provide cereal, canned vegetables and fruit, pasta, snacks, fresh produce, meat, and frozen items. We also include a church bulletin in the boxes so our Friends can see upcoming events. Also included are VBS fliers and Christmas and Easter events. There is laundry detergent, personal items, and household products also available. These items are much appreciated by our Friends. Many of our families are working families who just need extra help. Some have come into hard times and need a helping hand to get back on their feet.

We partner with York County Food Bank where we can order food to help fill our shelves. We pick up at Maple Donuts once a week. Our congregation, along with community members, donate food items such as eggs, beef, canned goods, etc.

During our distribution times, we offer Prayer Request Cards for our Friends to express spiritual concerns, and a team member is available to listen to any concerns and pray with them. New Testament Bibles are available for our Friends to take along with them.

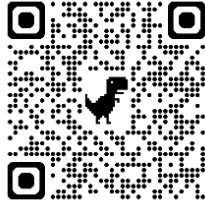

We have a quarterly Coffee House where we take the time to share our faith and listen to what they want to share. We offer stations with scriptures and communion. Light snacks are provided and drinks are served by our youth.

There is room for volunteers on both distribution days. If interested, call Virginia Houser @ 717-891-1980 or see a team member.
