

REMINDERS FOR LIFE GROUP LEADERS

IT'S NOT ALL ON YOU

You are not alone. It does not all rest on your shoulders. When you run into a difficult situation, or there is a change in your group, please contact Pastor Austin.

INTERCEDE FOR YOUR GROUP

Remember to pray for your Life Group. Ask how you can be praying for each member. Invite them to pray for one another. Let them know the ways in which you are interceding for them.

INVITE PERSONALLY

Connect with people in church. Take them out for coffee. Let them know what your group is like. Introduce them to your group members.

INFLUENCE SPIRITUAL GROWTH

This starts with you and your own spiritual health. You cannot pour into others when you are empty. Continue to be filled, formed, and led by the Holy Spirit. Surrender to God and trust the Spirit's leadership.

INVEST IN RELATIONSHIPS

This goes beyond your group's meeting time, like when you are serving together in the community. Care for one another. Reach out personally when someone is struggling. Build trust.

INVOLVE EVERYONE

Help facilitate conversation so that no one dominates the discussion. Find others in your group to help with snack and lead discussions, and encourage equal participation.

IDENTIFY POTENTIAL LEADERS

Create opportunities for others to step up as leaders, then walk alongside them to encourage them in a mentor-mentee relationship.

INSPIRE MULTIPLICATION

Encourage your group to reach beyond themselves to form new relationships to reach new people with Jesus.
