CONSENT FOR ELECTRONIC COMMUNICATIONS

My student has my permission to receive and exchange communications from Miami YFC staff and volunteers. I understand that GMYFC may use electronic methods to deliver programming, to provide assistance to participants in the completion of their school assignments, or to check on their well-being. Such electronic communications may be made via telephone, cell phone, text messaging, email, Zoom, GMYFC social media accounts or other electronic means. Parents can, at any time, revoke their permission or require they be copied or included in any communication by notifying the Program Director in writing.
