

1. Find 2 boxes, a big one and a small one.
2. Glue the ends of both boxes shut.

23. Paint the bigger box. Turn the box inside out for a better painting surface.
4. Cut out the side of the smaller box.

5. Paint the inside of the box black.

6. Draw the signs for the front of the cinema.

7. Cut out the signs and stick on the front of the bigger box.

8. Draw on some doors.

9. Find something around 3cm high.
10. Measure against the back of the big box and make a line.

11. Place the smaller box just above the line and trace around it.

12. Cut out the rectangle.

14. Place something 3cm high inside the box.
15. Push the small box inside the hole so it rests on the 3cm high supports.

16. Place a phone inside.

17. Enjoy watching movies in your own mini cinema
