

1. Find a box (cereal boxes work well). Close the top.

2. Draw your design on the box.

3. Cut out windows with a craft knife. Be careful the blade is sharp, check with your parents before using it.

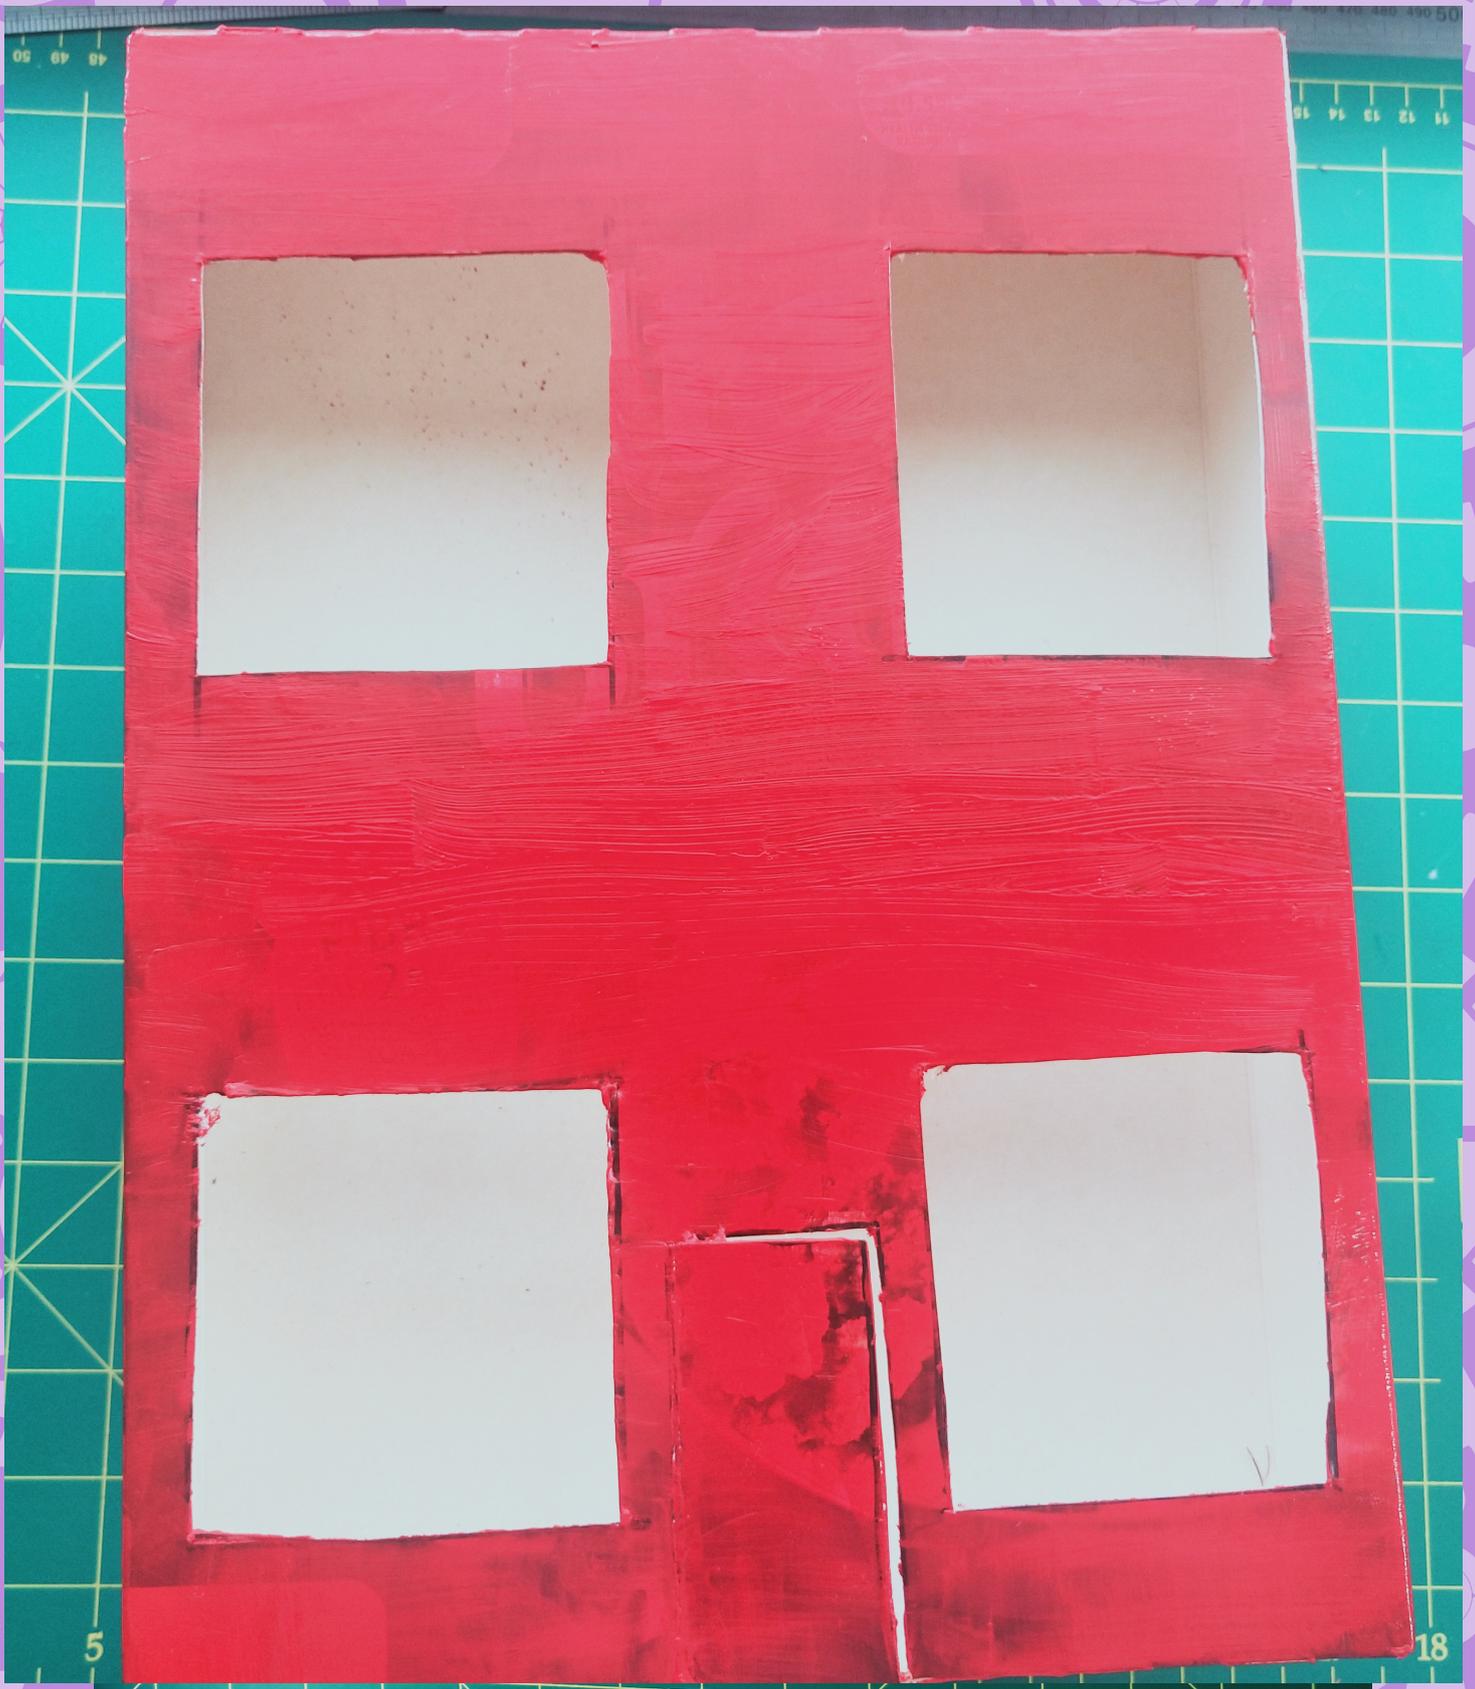

4. If you don't have a craft knife, use a toothpick and your finger to make a hole. Use scissors to cut out the rest of the window.

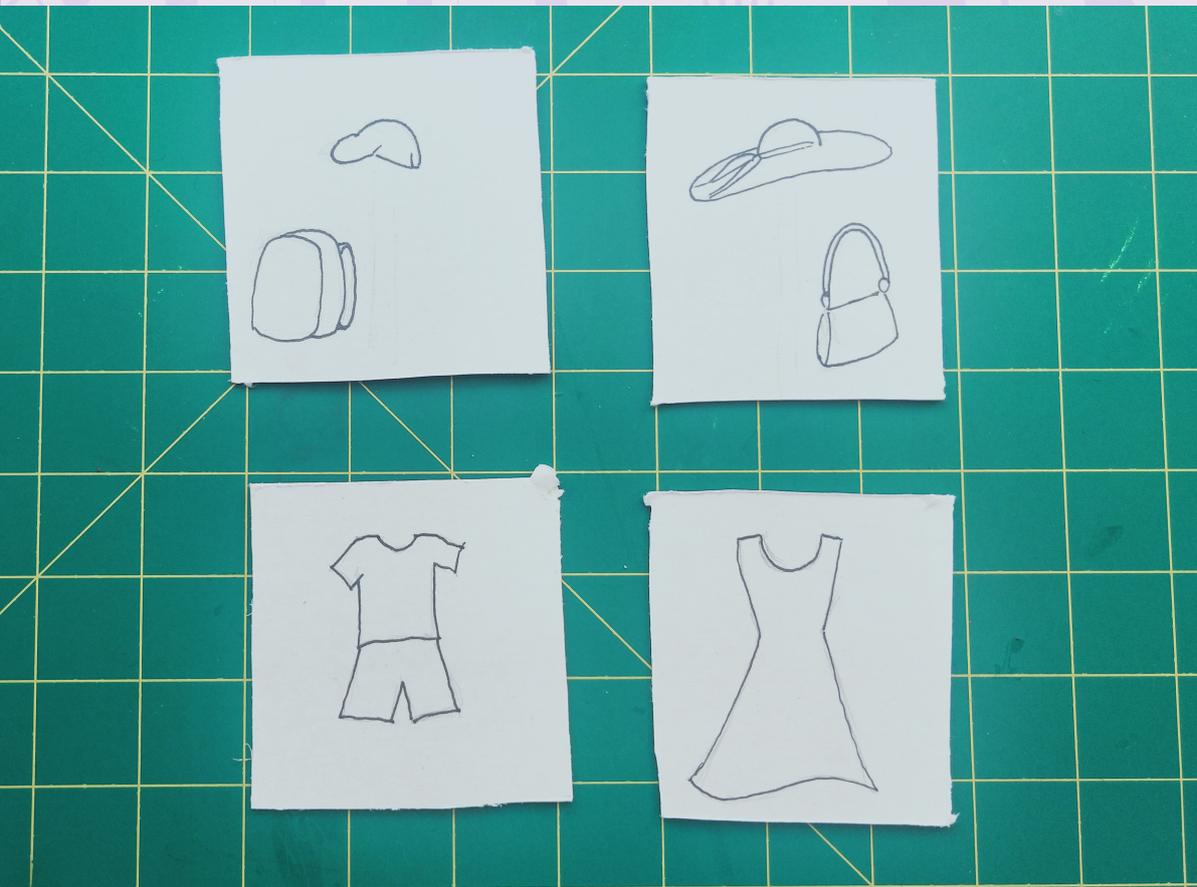

5. Cut out all the windows and a flap for the door. Keep the pieces your cut out.

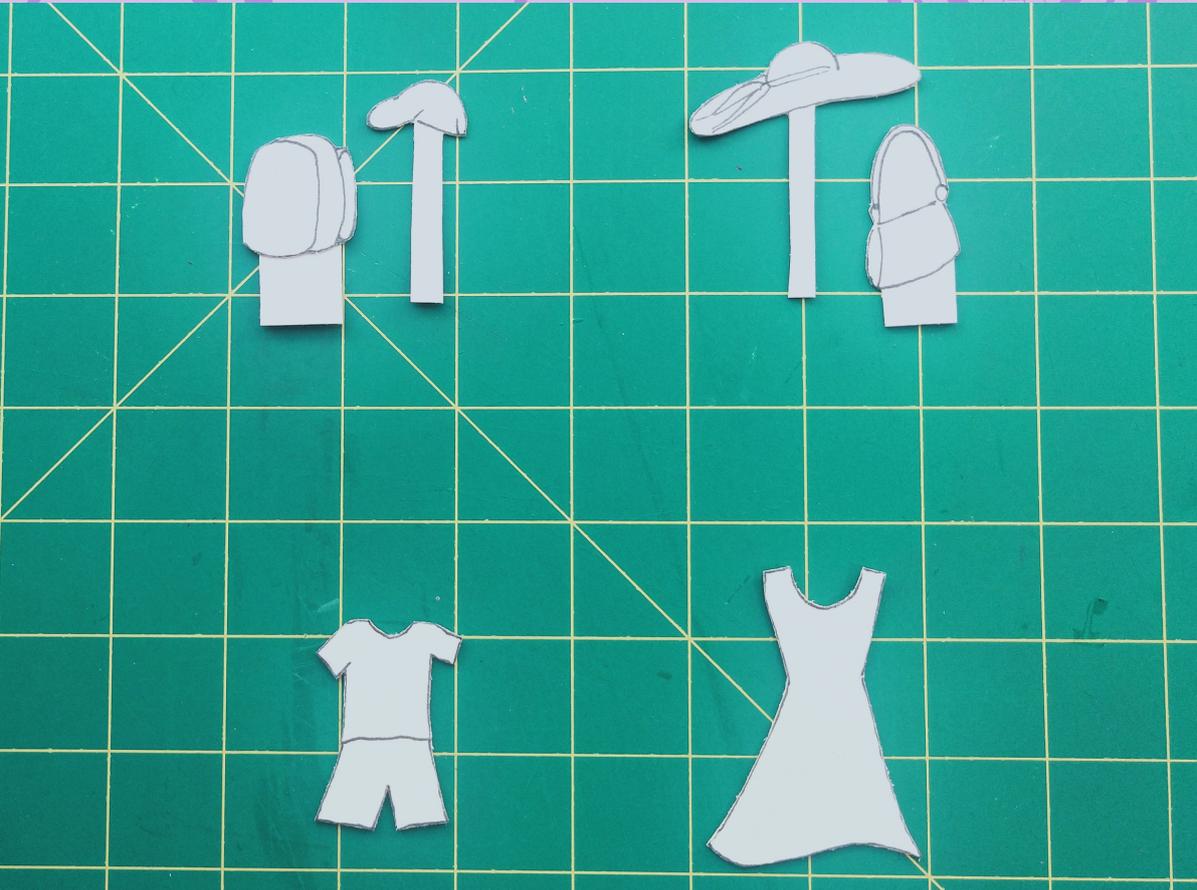

6. Paint the box, you might need to paint it twice to get a more solid colour.

7. Turn over the pieces you cut out of the windows. Draw some clothes or items on the back.

8. Cut out clothes and items.

9. Colour them in.

10. Use a twisty tie to make a coat hanger.

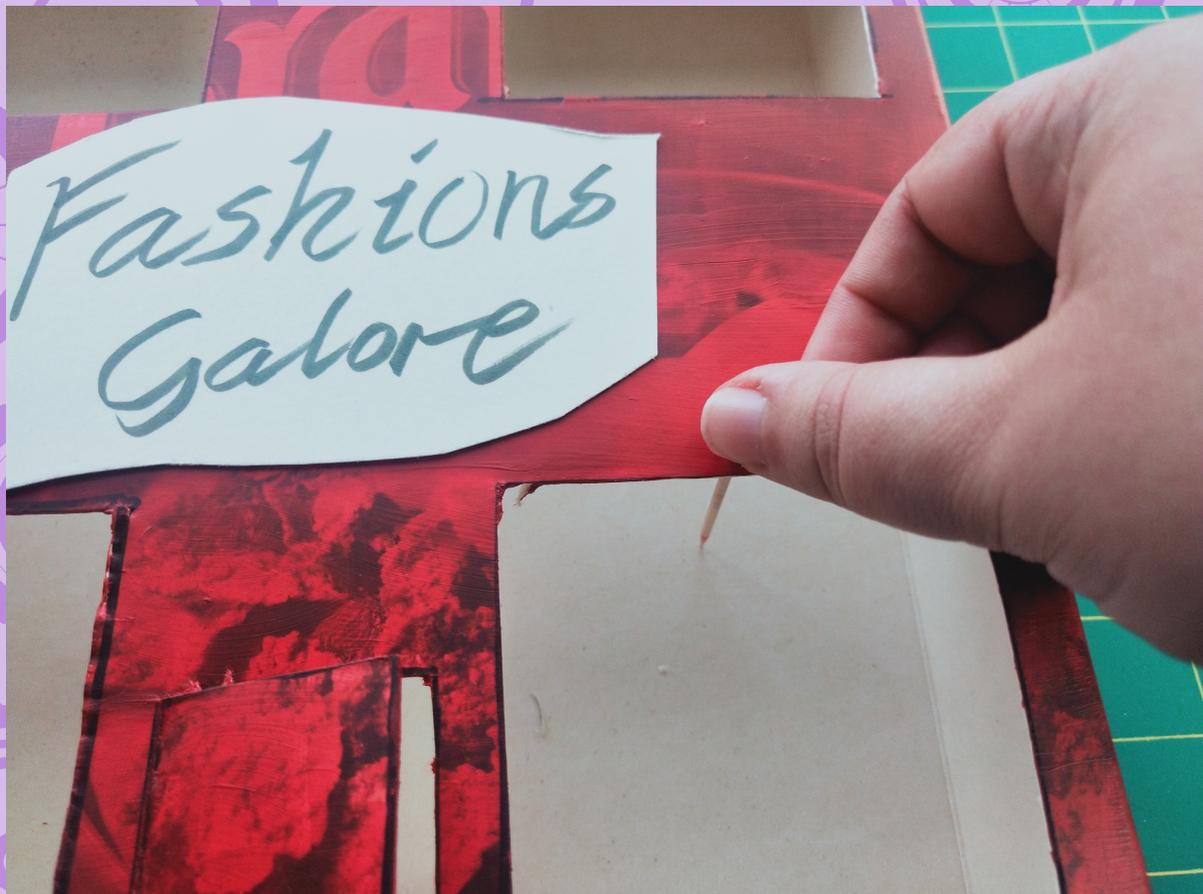

11. Stick on with blue tac.

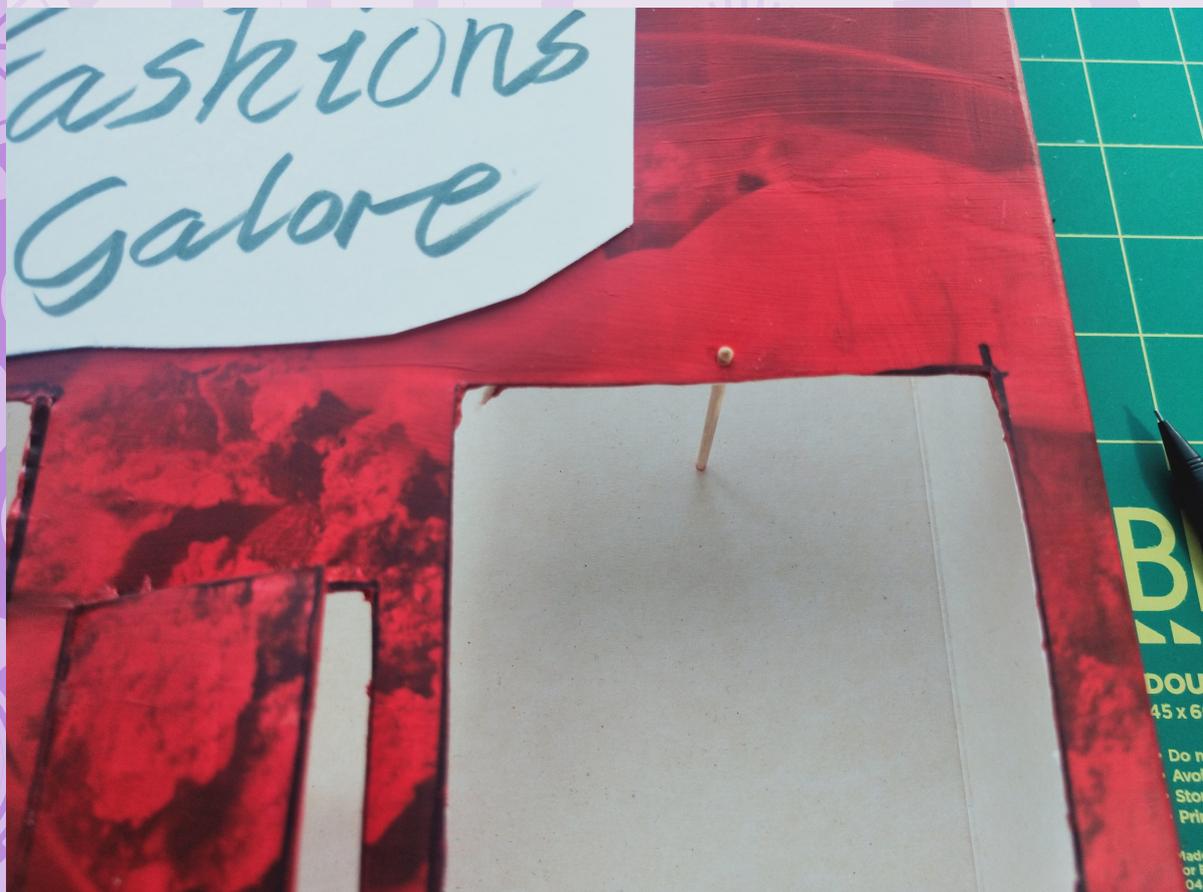

12. Make a sign for your store and stick on once the paint is dry.

13. Poke a toothpick through the top of 2 windows. Secure in place with glue.

14. Stick the items in the windows. hang the clothes on the toothpicks.

Ta da!
