### DATES TO REMEMBER

PARENTING &  
LOVING IT  
Sat. April. 13th

FAMILY  
DEDICATION  
Sat. April 14th

VBS WORKDAY  
Sat. April 20th

FIRST KIDS  
DISCOVERY STORE  
Wed. May 8th

FIRST KIDS  
DISCOVERY PARTY  
Wed. May 15th

VBS WORKDAY  
Sat. May 18th

LEVEL UP  
6th graders only  
Wed. May 22nd

NO WED  
ACTIVITIES  
Wed. May 29th

Dear Parents,

Spring has sprung! I am loving the warm weather and beautiful flowers. This is my favorite time of the year. It is full of hope! This past weekend, we celebrated the resurrection of our amazing Savior and the hope we have in Him. This hope is available to us and our kids on the best days and on the worst days, because it is based on the unchanging character and perfect work on God!

This winter was one of the hardest seasons for my family as we experienced the miscarriage of our baby. But God is faithful! How blessed we are to have y'all as our church family! You loved us so well! I find it hard to image how anyone navigates the difficult seasons in life (or even the wonderful ones) without a church family.

During the winter, First Kids emphasized "Becoming Family" in our Discipleship Plan. Even through we are moving onto another focus, I want to encourage you to continue in your commitment to bring your kids to church each week. All of our kids will face difficult days in life and we want them to know that they have a church that will love, care, and pray for them and where they can do the same for others. This is the joy of being part of the Body of Christ!

Looking ahead to our Discipleship Plan this spring, we want to focus on "Growing Followers." When life is hard (and on every other day), the only thing better than a church family that loves you is a intimate relationship with the God who loves perfectly! We want to help our kids know Jesus by teaching and modeling a deep desire to spend time with Him. Could this be a season of renewed commitment to spend time with God in prayer & Bible reading for you and your family? What is the next step of obedience that your family needs to take to follow Jesus more closely?

One way you could consider encouraging your kids to grow as followers of Jesus is to register them for the National Bible Bee Summer Study! Summertime First Kids Discovery is going to be using the Summer Study again to encourage and support our kids in memorizing Scripture. Your kids do not have to register in order to participate in First Kids Discovery, but registering will allow them to receive their own Discovery Journal to deepen their study of God's Word!

Thank you for letting us support you as you raise your kids to know Jesus!

# Spring Focus

At First Kids, it is our goal that our children learn to **Know Jesus** and **Share Jesus**.

This Spring we are focusing on knowing Jesus by cherishing our time with Him!

Set some goals with your family!  
How can your family prioritize prayer, reading the Bible, worship, etc?

## Winter Discipleship Plan! Set some goals to grow...

### WELCOMING FRIENDS

Who can our family invite to church?

### BECOMING FAMILY

How can our family better connect with our church family?

### GROWING FOLLOWERS

How can our family grow closer to Jesus?

### SENDING FAITHFUL

Who can our family serve?
