

Harpeth Hills Church of Christ

REQUEST FOR COMPASSION RELIEF

The Compassion Relief Fund of Harpeth Hills Church of Christ in part exists to provide funds and/or support for loved ones of extended families or friends of Harpeth Hills church members who are going through difficult times. As our members walk alongside and live life with other people in our area, financial and or other needs become evident. This form is a way to request help that is needed. Each request will be prayed over and discussed with the leaders of the Compassion Relief ministry and Local Ministry leaders. We will also discuss the need with you, the Harpeth Hills Member and possibly with the friend or family member needing assistance.

Please return completed form to Larry Christian at LarrymChristian47@gmail.com or call 903-431-4430
