

Panel of Physicians Form Lynchburg-Forest VA

Section 65.2-603 of the Virginia Workers' Compensation Act requires employers to provide a panel of at least three physicians. You must select a physician from this panel to treat your work-related injury.

If you do not use one of these physicians for your work-related injury, you may be responsible for the cost of medical care and you may jeopardize your entitlement to workers' compensation benefits as outlined in the Act.

Please select a physician from this panel below.
