Old Business

Judi has not checked with Don Uglow about changing the PM Fundy name, but will call him

New Business

Nick passed out 2 versions for a Towerlight article about PM Fundy and people keeping up on their pledges.

April suggested a different way to word version 2 and suggested we put it on cards to pass out each Sunday in June. When people leave the sanctuary after worship, we will have people at each door handing out the cards. April will work with Kurt on writing the card and then we can have it printed. Check the end of May balances and compare in July if the card helped giving.

Some discussions that people are worried about the economy now, and that's maybe why giving down

Nick said the mortgage could be around \$200,000 by the end of the year...yeah!

Trustees, Adam said that we are replacing 2 compressors and a blower motor on furnaces

Kurt, closing prayer
