Hello Church Family,

In preparation for spring, we took our mower to get serviced as we do every year. This 2007 Exmark Lazer mower was donated to us over ten years ago and now has 1500 hours on the engine. Bobcat informed us of several issues that would need repaired, and it would be quite expensive. They suggested that it would be more cost effective to replace the mower rather than spend a lot to repair this one given its age. We have collected quotes and plan to purchase a new 2026 John Deere Z930M 60" Susp Seat Tweels for \$15,000.

With the general budget being tight and this being an unexpected expense we are asking our congregation to prayerfully consider donating towards this large expense.

Your general fund gifts are very important to us, and we need those to maintain our budgeted expenses. If you would like to make a special gift towards the purchase of the new mower, we would greatly appreciate it. Donations can be placed in the offering plate on Sunday morning (Please mark your envelope or check with "mower"), dropped off in the church office or made online by clicking on this link: <https://secure.myvanco.com/L-YXCA/campaign/C-169N8>

Thank you for your consideration.

Respectfully,

Scott Gillespie, Ad Council Chair

Nick Fetchina, Finance Chair

Adam Allen, Trustee Chair
