

Worship Ministry

A vision statement for Central Baptist Church

Vision

Our vision is that the people of Central are a group of authentic Christians solely focused on Jesus Christ. We see worship not just as something that we do during a service but a daily practice and lifestyle that is to be lived out individually and communally. (Romans 12:1)

Mission

Our mission is to be a Christ-centered, character-focused and community-driven worship ministry that prompts believers to worship God both in a corporate service and in their daily lives. We strive to create a culture that relates to the context of Central Baptist Church as we worship Jesus Christ.

Our Values

Christ Centered

We value the gospel first and always. Any time we say the word “gospel,” we simply mean the good news of Jesus Christ – His life, death and resurrection. During corporate worship, we will sing and pray to Him vertically and we will seek to build each other up horizontally. Corporate worship services will remind us of the work Christ did on the cross, consider the relationship we have with God the Father, and celebrate the new life we live in the Spirit.

Matt. 4:10; Matt. 6:33; Col. 1:16–18; Col. 2:6–7

Community Driven

Christian fellowship is essential to our lives as Christ followers. Gathering together for large corporate times of worship and small group meetings creates unity in the body and reminds us of the oneness we have in the Spirit. Worship services and small group meetings are prayerfully designed specifically for the body of believers at Central Baptist Church and are opportunities for the church to be encouraged in their faith journey. We should enjoy gathering with one another in Christ.

Character Focused

Our worship is connected to our whole person. The condition and character of our hearts is what God cares about. Corporate worship should not be the primary time of worship in an individual believer's life. Rather, our weekly gathering of corporate worship should be a time of joyful, overflowing response to the faithfulness of God to each believer throughout the week. We should be individuals who live for Christ on a daily basis. We should follow Him and obey His Word.
