EPHESIANS 3:20

TO HIM WHO IS ABLE TO DO
IMMEASURABLY MORE THAN ALL
WE ASK OR IMAGINE.

Dear Family,

Forty-seven years ago, a small group of individuals had a dream to start a Christian church in Bella Vista. Little did they know that what started with 9 people would grow to over 1,000 today. It's a tangible testimony to the truthfulness of Ephesians 3:20 which says, "Now to him [God] who is able to do immeasurably more than all we ask or imagine..."

Probably no one in 1974 dreamed that New Life would become what it is today. And perhaps, no one in 2021 can fully wrap their minds around what New Life can become forty-seven years from now either! What we can do however, is continue the healthy legacy of evangelism. That means...
WE GO WEST!

Whether you have lived in Bella Vista for many years, or new to the area, growth is all around us. So much so, that a new highway bypass is being built and nearing completion around the west side of Bella Vista. Not only will this new bypass redirect heavy traffic, but it will connect parts of our community like never before. A westward expansion of new homes is being built on the west side of our community; a trend we will see for years to come. On top of that, many who call New Life their home already live on the west side and have a considerable commute to church. What a great opportunity to expand our reach westward for Christ, and at the same time, minister better to the needs of our New Life family.

The next chapter of New Life's story will be a multi-site adventure! One church meeting in two locations for maximum evangelistic impact. Our multi-site vision started to become a physical reality when GOD provided New Life with 15 acres of land right off the Rocky Dell Hollow Road exit of the new highway bypass. Since that day, we have been hard at work laying the groundwork for this westward expansion, which you will see in the pages of this booklet.

We are forty-seven years into this great adventure and the **BEST IS YET TO COME!** I have no doubts that with everyone's involvement, we will all see this vision become a physical reality.

How great it will be to witness the tremendous life-change that will take place as more and more people follow Christ and experience new life in Him.

Blessings,

Pastor Joe

MINISTRIES

New Life has always been a church that ministers to the needs of every stage of life. From Kid's ministry to Prime-timers, and everything in between. New Life is a church for everyone, and the needs are growing right along with our church family. The West campus will be an invaluable ministry resource for the New Life family, the community, and even beyond for years to come!

CURRENT NEED

The real needs for this new campus have to do with much more than parking, seats, walls and ceilings. From the very beginning of our church, New Life has sought to be a place where life-change happens. A place that meets needs and impacts lives on a daily basis.

Currently, our facility is feeling the strains of our growing congregation. Four worship services each weekend. Parking and seating limitations during prime worship hours. Ministries and community outreach opportunities are ever-expanding in ways that only God can do.

Beyond our current facility strains, God has expanded our reach into Northwest Arkansas! People don't just come to New Life from Bella Vista, but also West Bella Vista (Highlands), Bentonville, Rogers, Centerton, Gravette, Hiwasse, and well into southern Missouri. Now with our growing online presence due to COVID, our reach is even further. In some regards, New Life has become a regional church.

With the westward expansion of our community coinciding with the construction of the new highway bypass, God has positioned our church family to reach more and more people for Jesus as our community continues to expand. All indicators point towards growth and expansion on the westside of Bella Vista for years to come.

The new West campus will be perfectly positioned in location and visibility.

THE PLAN

PHASE 1

1. 18,000 square foot facility!

The day we open the West campus, all of our ministry needs for this location will be met under one roof

2. Spacious main lobby!

Like with our current campus, New Life's West campus will continue to be a place of welcome to all who will step into the open and warm lobby. We want everyone who enters New Life to feel right at home and embrace the hospitality and fellowship of the body of Christ.

3. Modern auditorium!

Phase 1 of our West campus will feature an intimate 300-seat auditorium, perfect for worship services; but also highly functional as it can be converted into numerous multi-purpose uses which advance the mission of New Life.

4. Secure check-in for New Life Kids!

Our West campus provides families with an open and secure check-in area where kids will love to go.

5. Awesome multi-purpose ministry spaces for kids and students!

Ample ministry spaces that will help inspire kids and students to follow Jesus and to build great relationships with other kids and adult leaders who set great examples for them.

6. Great meeting rooms for various ministries!

The West campus will provide our church family and community invaluable spaces for ongoing ministry.

Phase 2

PHASE 2

Phase two of the plan also has our eyes set on the future. We have intentionally designed a facility that will grow and expand with us by providing a 1,000-seat worship auditorium, massive atrium/lobby which will service a multiplicity of ministry needs. Expanded areas for kids, students, ministry opportunities and community outreach!

THE PROGRAM

The GO WEST campaign is a 36-month season where we as a church will watch God move in mighty ways to raise \$4.5 Million dollars.

We will be asking you to pray fervently and prepare to make a commitment above your normal giving toward seeing this vision fully realized. Yes, we are raising funds, but this is NOT a money campaign. This is a PEOPLE campaign. We are NOT about growing our numbers. We ARE about reaching the lost in our community with the truth that Jesus Christ died on the cross and rose to life. Because of what Christ has done for us, we can experience a New Life in Him which includes freedom, hope, and purpose.

CONSIDER GIVING:

- Excellentlly – Write the largest check you’ve ever written to the church on commitment weekend.
- Regularly – Weekly or monthly through the end of the campaign (36 months).
- Creatively – Think of non-cash gifts: real estate, boats, cars, stocks, bonds, etc.

INDIVIDUAL RESPONSIBILITY

To see the vision of the West campus fully realized, we must all participate! We encourage everyone in the New Life family to be praying daily and asking God to impress upon each of our hearts what to give towards the GO WEST campaign. This will not be a campaign of equal gifts, but rather equal sacrifice. We’re asking everyone to prayerfully consider how they can give.
