

Stability in an Unstable World | Week 2

James 1:2; Philippians 4:11-13; Philippians 3:12-14; Luke 15:20

Pastor Micah Sutton

NOTES

Choose joy.

Joy is a state of being, not an emotion.

Holding onto the past only serves to delay your progress upward.

"Joyful people are stable in an unstable world: making better choices, seeing greater opportunities, and developing stronger relationships with other joyful people. That is God's will for you today!."
Micah Sutton
