

Dear Pastor Dan, Pastor Micah, and Church Family,

We want to express our heartfelt thanks for the beautiful dedication service this past Sunday. It was such a meaningful moment for our family, and we are deeply grateful for the love, prayers, and support you all showed us.

Thank you especially for dedicating our boys and for the special Bible gifts you gave them. It means so much to know they are being lifted in prayer and surrounded by a church community that values their spiritual journey from the very beginning.

We are truly thankful to be part of such a faithful and loving church family.

With love,
The Reichler Family
Ryan, Hannah, Grayson, and Griffin
