FROM THE PASTOR

- I truly hope that everyone had a rejuvenating Labor Day weekend. I know I did! Nothing recharges me more than spending time at home with my family and spending time fellowshiping with my church family. As believers, we are like solar batteries. Sure, we can run on our own for a while, but eventually we need to be recharged. The only true way to recharge is to have our “panels” pointed toward the *Son*. That is why the writer of Hebrews urges us to “consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, *as is the habit of some*, but encouraging one another...” (Heb 10:24-25) God knows we need Him **and each other**. He tells us so over and over again. I urge you, even as the fall and winter gets busier and busier, to remember where your source of power for life comes from and remained plugged in!
- Mark your calendar for Sept 13th: Business meeting @ 5 and BINGO/Game night @ 6.
- For the Bingo/Game night, if you can, please bring an item to donate to the prize pool (\$10 max) and bring some food/dessert to share. Looking forward to having some fun with my church family!
- Join us for Wednesday Evening Fellowship!

PRAYER LIST

Needs:

- **Revival in our church.** Pray that we would all get a glimpse of the greatness of God and that our love and gratitude for Him would be ignited into a burning desire to know Him and be known by Him.
- **Pray for the families in our church,** specifically that parents & grandparents & guardians would answer the call to be the primary faith trainers of our children. We cannot afford to lose the worldview war in our homes.
