FROM THE PASTOR

- Just in case you haven't noticed, it is September 21st. For most places in American, that means the first day of Fall. But in Texas, we know that it is just another summer day. That being said, it is still a great day to know the Lord and be known by Him. Paul reminds us that God, "made from one man every nation of mankind to inhabit all the face of the earth, having determined their appointed times and the boundaries of their habitation, that they would seek God, if perhaps they might grope for Him and find Him, *though He is not far from each one of us*; for **in Him we live and move and exist**, as even some of your own poets have said, 'For we also are His offspring.'" The Father is not surprised that we are hot and in need of rain. He is not surprised that you need Him today, to reveal Himself to you so that you will truly see the depth of His love for you and His involvement in your life. We are His children and His love for us is meant to draw us to Him so that we can FIND Him. That is where we will be truly satisfied. Give Him a chance today. Have a blessed week!
- Join us Wednesday evening for great food, great company, and God's Word. 5:45 meal; 6:30 Bible Study.
