LIFE IS BETTER WHEN EXPERIENCED
TOGETHER

WHAT ARE ARISE GROUPS?

ARISE Groups turn a crowd into a community.

Sundays and Saturdays can be full and fast-paced, often leaving little room for deeper connection. Groups create the space to slow down—where we can connect, share life, and grow together.

Real freedom is found in relationships.

Groups allow us to build healthy, authentic friendships that strengthen our walk with Jesus. When we get connected, we stay connected.

Healthy relationships build healthy Groups, and healthy Groups build a healthy church.

Our goal isn't to have the biggest church or the largest Group—it's to see a church family that is strong, thriving, and centered on Christ.

ARISE VALUES

1. We value People

God's grace is for everyone, and it's not beyond anyone. We choose to love people where they are and always lean toward grace.

2. We value Relationships

Life is better when experienced together. There's no such thing as Christian islands—we need each other.

3. We value Authenticity

It's okay not to be OK. But it's not okay to stay that way.

4. We value Growth

If you are not growing, you're dying. Change is inevitable, but growth is optional—so we strive to keep moving forward every day.

5. We value the Next Generation

Our ceiling will be their floor. We invest our time, efforts, and resources into the generation coming after us.

6. We value God's Presence

God's presence is the most important thing—period. Nothing else matters more.

7. We value Creativity

Being led by the Spirit means being willing to try new things. Even if we fail, we keep moving forward.
