# WHAT ARE ARISE SUMMER CREWS?

## **CREWS TURN A CROWD INTO A COMMUNITY.**

Sundays and Saturdays can be full and fast-paced, often leaving little room for deeper connection. Summer Crews create the space to slow down—where we can connect, share life, and grow together.

## **Real freedom is found in relationships.**

**CREWS** allow us to build healthy, authentic friendships that strengthen our walk with Jesus. When we get connected, we stay connected.

## **Healthy relationships build healthy CREW, and healthy CREWS build a healthy church.**

Our goal isn't to have the biggest church or the largest CREW—it's to see a church family that is strong, thriving, and centered on Christ.
