Prayer Points:

- ☆☆ **Open Doors - Brunei** – Pray for an upcoming woman's prayer event this month. As they hear stories of courage, sufferings and unwavering faith, may their own faith be deepened. Pray that these women will be inspired to live boldly as salt and light in their own communities.
- ☆☆ **UnitingWorld projects - Papua and West Papua** remain the poorest provinces in Indonesia, with limited opportunities for employment, quality education and health care. UnitingWorld works with our partner church GKI-TP (Evangelical Christian Church in the Land of Papua) and its development unit P3W to help alleviate poverty, improve nutrition and empower women and children. ... Through the project, groups of women are helped to grow vegetables like soya and kidney beans, spinach and kale in their gardens. The women use it to feed their families and also supplement their family income. The groups are also provided with education and training about financial management, helping them be able to better save money for education and emergencies.
- ☆☆ **Local Church Community** - Kenmore Presbyterian Church
- ☆☆ Pray for the **local school** communities, especially for Year 12 students as they complete external exams and share in their final days at high school.
- ☆☆ Pray for those within **our congregation** who you are aware have particular needs at this time.
- ☆☆ Pray for the continuing situation in **Gaza** and especially for the fragile peace negotiations between Israel and Hamas. Continue to pray for people and the provision of necessities for daily living.
