## From UnitingWorld

To our friends at Kenmore Uniting Church,

... Here's the latest from across UnitingWorld, and many ways you can stay connected and make a difference alongside our inspiring church partners.

Cyclone Ditwah has caused the worst flooding Sri Lanka has seen in decades. Over 200 lives have been lost and nearly 200,000 people displaced.

Our partner, the Methodist Church in Sri Lanka, is on the ground providing food, shelter and emergency care. Your gift today will help them reach more families in urgent need.

Our Annual Report is now available. Inside, you'll find stories of hope and impact, all made possible through your generous support and the determination of our partners in the Pacific, Asia and Africa.

Everything in Common is in full swing! ... And if you haven't stocked up yet, there's still time to order some life-changing gifts that bring hope, dignity and opportunity this Christmas!

Earlier this year we launched an appeal to support communities on the far north coast of West Papua who are at the forefront of the changing climate. Our church partners are working to tackle poverty through nature-based solutions that protect the environment. Indigenous wisdom, faith and leadership are transforming lives and livelihoods.

The 2025 Pacific Australian Emerging Leaders' Summit brought together young leaders from across Australia, the Pacific and First Nations communities for a week of formation, relationship-building and high-level advocacy. ...

... Thank you for reading, praying, giving and being part of our shared mission with the global church. We can't do it without you.
