

10 Truths About Anxiety and Worry

1. Anxiety and worry to the spirit of Mammon (money) is the same as praise and worship to the One true God.

Worry and anxiety are literally bowing your knee to the spirit of Mammon and giving it worship.

2. Worry is a form of atheism because it imagines a future without God.
3. Fear is faith in the devil.
4. Faith is imagining a future with God in it.
5. Worry is a sin to be repented of – not an emotion to be medicated.
6. God's supernatural can't flow in your life when you're consumed with worry. Worry has to go because it repels God's blessing.
7. You don't need more money. You need a greater relationship with the source. Until you're convinced of this truth you will be deceived by the spirit of Mammon.
8. Don't confuse the source with the resource. The resource changes many times. The Source never changes.
9. When you try to build a life on your own – you will always be in a recession. Nobody (and I mean nobody) can take better care of you than your Heavenly Father.
10. Do not create a theology out of your disappointments.
