MAGIC MUSIC MAKER
With Ms. Louanne

Magic Music Makers is a fun discovery day class designed to help young children develop their confidence and creative potential. We will make simple musical instruments, play music games, explore the science of sound, and explore God's music found in nature. In addition to games and play time we will make snow globe tambourines, lolly pop maracas, cupcake shakers, crazy train whistles, bear hunt drums and more. Your child will receive a CD of our music at the end of our session.
