

PRESCHOOL

DISCOVERY DAYS LITTLE CHEFS

With Ms. Christina and Ms. Kaitlyn

For Children in 3s, 4s, and 5s Classes

Come join us as we incorporate early math concepts while creating delicious recipes!

Children will have the opportunity to cook while learning concepts such as measurement, time, number recognition, sorting, sequencing and much more! Each week we will create a new and creative recipe. This will be a fun, hands-on opportunity to try new foods and we are excited to inspire little chefs!
