

Camp

This summer at Marshyhope Church started at Camp Tohiglo with the Delmarva Baptist Fellowship. Marshyhope had 12 youth join us this year from 226 Student Ministries. We also had 5 adults volunteer. It was a wonderful week where God clearly moved in all that were there. We look forward to this week every year and can't wait to do it again next August.

Young Life Prayer Night

Marshyhope Church's own Chad Shelly has partnered with Young Life to bring the well established youth program to Federalsburg. We joined Young Life on August 7th, along with several other area churches, to pray over the local schools, students, and teachers. It was amazing to see and hear so many adults and teens pray over the upcoming school year.

GOD HAS BEEN MOVING AND SO ARE WE

Our weekly services are quickly approaching their one year anniversary. When Marshyhope was in its infancy we spent many days doing prayer walks around the town of Federalsburg asking God to provide a building so that we could continue our weekly Bible study. One day we stopped by these seemingly unused building that looked like renovations had been started and stopped many times. We prayed specifically that God would allow Marshyhope to hold services in this building. We later found out that this was the Federalsburg Activity Center (FAC) and that was on the brink of being opened. That was nearly 18 months ago. We settled into a building three doors down. We have held services bible studies and many other events out of this one room building. We assumed that we were just off by 100 yards from the building we were supposed to be in. God, however, was just on a different schedule than we were. God has recently seen fit to open the door for us to hold services at the FAC. Starting in December we will begin holding SUNDAY EVENING services at the Activity Center. This move will also allow us to launch a children's ministry. Services will be held at 5pm every Sunday. Stay tuned for more information.

Hurlock Harvest Fest

On October 4th We had the opportunity to Join Grace Baptist Church and the Bread of Life Food Pantry at the Hurlock Harvest Festival. We had the privilege of talking to, praying for , and witnessing to many people from all of the area. We handed out many flyers for Marshyhope Church, 226 Student Ministries, Marshyhope Bible Study and also many tracts, snacks, and the Love of Christ. Thank you Grace Baptist for including Marshyhope in this event.

Chillin' at the Creek

In September Marshyhope, along with the other churches that lead 226 Student Ministries, ended the summer in style. We took over the Federalsburg Marina for a party. There were food, prizes, games, and a Gospel message. 226 has been a great blessing in the town of Federalsburg for the youth. Continue to pray that we could reach many for for Christ through this endeavour.

Marshyhope Church thanks you for your continued prayer and support. If you would like to give to Marshyhope Church or 226 BYRD Student Ministries please visit our website at www.marshyhopechurch.org. Pastor Jason McConnell can be reached by emailing marshyhopechurch@gmail.com or call 410-360-0203
