• **FAITH STATEMENT •**

The people of Christ Lutheran Church of Hellertown invite you to join us as we seek to discover the importance of Jesus' teachings for our time. We take the Bible seriously, not literally. We look to scripture, faith, experience, and reason to guide our journey.

We affirm that everyone is created in the divine image, and that God is active in all people, including those who do not profess the Christian faith.

We acknowledge and respect people of other faiths who understand that God is working in them and through them to bring about peace, justice, love, and reconciliation. We strive to transform our lives to live

the teachings of Jesus and, above all, to love unconditionally. We warmly welcome all people regardless of race, culture, sexual orientation, gender identity, or gender expression.

Everyone is welcome here.
