Hi fellow church goers! This time I'm writing about something that Alex Grande brought to my attention and it will be of interest to everyone. Everyone needs information resources at times. And it can help to connect with others and this article is about just that. The website is called Creation Justice Ministries. This is a particularly useful resource as it isn't just about the environment, there are literally dozens of different kinds of resources available here. About faith, healing, advocacy, bulletin creation, liturgical resources, preaching resources, the power of God. This website has something for everyone! I challenge all members to go there and find at least one thing that interests you and explore that topic! Get challenged and informed by the interesting content. Let me know if you find it helpful!

THANKS PACESETTERS!

Thanks to all who attended the brunch at Yianni's on May 4th. It was a successful event; a great turnout and the food and service could not have been better. A very enjoyable Sunday afternoon for all who attended. Pictures taken by Enid are posted on our church Facebook. With all the positive feedback... we shall return! If you are 55+ and haven't attended one of our brunches, please consider giving us a try. We are strictly a social group (no meetings, etc.). Just a chance to mingle and get to know your fellow members while enjoying good food. To all who have participated this season, have a safe and enjoyable summer. Look forward to seeing you all in the fall!

Sabbath

I want to thank our Church Council and you, the members of our church, for affording me one, final sabbatical. From June 2nd thru Sept 2nd, I will be on my third sabbatical. I will return for church funerals and continue my Bible Study remotely. Join me Thursdays at 12:15pm via Zoom.

While away, I will be studying the Gospel of John. I have two books and one large commentary ready to go. I look forward to a new cadence in my weekly pattern. I look forward to experiencing worship services in other churches, and I hope to connect to another faith community in a deeper capacity than just showing up for Sunday morning worship. It will be an adventure for me, and I love change, possibility and the unknown.

On Memorial Sunday the theme of my sermon was Sabbath. We get “sabbatical” from the word Sabbath. Although I am writing this before the sermon is completed, I realize some things about Sabbath in our culture.

We don't do Sabbath well. We are people who identify ourselves by what we do. If we are doing nothing... we must be nothing. It is a badge of honor to say, “I'm too busy”. We are a go, go, go society. Friends of mine say the Northeastern USA is the worst.

I experienced the rat-race pace when I returned to Pennsylvania from a year of missionary work in Papua New Guinea. The word on the street when I lived there in 1986-87, was the fact that a traffic light was installed in the capital city of Port Moresby. The nation got its first traffic light, and even though I never visited the capital, all the villagers heard about the event. It was big news.

When I returned home, I was in a state a shock at the pace of life. I was mad, angry, and wanted to go back to a more “primitive” way of life. But after a few weeks, months... I got used to the fast pace once again. It's amazing how that slow creep takes over.

Why do we not stop? But then again, research says the average person scrolls on social media 2.5 hours/day, and watches TV 3 hours/day. Yes, this is average, some do very little, others lots and lots... still it makes a point. We are busy, but doing what?

Sabbath was designed in a time before TV, Internet, Movies, etc., when everyone was engaged in some form of manual labor. The body needed to rest. The spirit needed to rest. Life was short and difficult. Things have changed, but the body, spirit, and soul still need rest.

Sabbath begins with an intention. Am I going to consciously carve out a day to think and do something different? Will it begin with worship that then transcends to resting, relaxing, reading, slowing down, being peaceful and reflective?

One of my favorite habits from Steve Covey's “7 Habits of Highly Effective People” is ‘sharpening the saw’, taking time away from the work to hone your skills and blade, sharpening yourself with activities that rejuvenate and recharge.

Again, thank you for granting me this sabbatical. I look forward to a change of pace. It is my sincere hope and prayer that you will see just what a sabbatical can do.

Enjoy a weekly Sabbath yourself.

Know God loves you! Pastor Phil

Bishop's Staff Changes for 2025

To view the full "Strategic Intent" document in detail, visit godslove.org/2025-strategic-intent
Written by: Bishop Christopher deForest of the Northeastern PA Synod

"Do not be conformed to this age, but be transformed by the renewing of the mind, so that you may discern what is the will of God—what is good and acceptable and perfect." (Romans 12:2)

Our gracious God is in our midst, transforming all of us, as St. Paul writes in his epistle to the Romans. In fact, Chapter 12 of that amazing letter has been our guide, not just for this upcoming Synod Assembly, but also for the past year of being church together. As the Holy Spirit does this work of transformation on us – our church, our communities, our very selves – we recognize more than ever our need to live and work together, in fact, to become more connected than ever before.

To this end, in this past year we have been guided by this statement of purpose – Connecting congregations for life-giving mission and ministry; so they can love like Jesus, heal like Jesus, and engage like Jesus – growing young, gaining strength, and going beyond death to life.

Strategic Goals

1. Ensure and encourage that every congregation can be in partnership with other congregations of their choice, centered around mission and ministry in their communities for the sake of the gospel of Jesus Christ and grounded in our Lutheran tradition, commonly expressed in our three Values and Lanes.
2. Empower and encourage the roles of all believers in this NEPA Synod, especially lay persons and with particular focus on younger people, to live out their baptismal callings and to love and serve God together in this church and their communities.
3. Make it possible for every congregation in this synod to have a pastor, a deacon, and a licensed lay minister.
4. Strengthen and secure the opportunities for rostered ministers and licensed lay ministers to serve congregations in this synod – faithfully, healthfully, and safely.
5. Reduce the need for congregations to close.
6. Engage and encourage all people – especially those who have been marginalized, harmed, or under-represented – to live and serve and lead well in this synod.
7. Train, inform, onboard, communicate, track and evaluate better, to better achieve these goals.

8. Evaluate and revise our governing documents, structures, and policies to better achieve these goals.
9. Align the roles, responsibilities, goals and evaluation of the bishop and bishop's staff to better achieve these goals and create a more efficient and satisfactory working environment.
10. Engage and encourage individuals, congregations, and partners to deepen their support of these goals – through the sharing of their time, talents, and resources.

Bishop's Staff – New Roles and Changes

Lead Servant for Leader Support: This service area includes support for rostered ministers (pastors and deacons), active and retired; licensed lay ministers (LLMs); candidates discerning calls to lay or rostered ministry; and leaders serving roles as officers and council members in congregations. **Search begins May 16.**

Lead Servant for Congregation Support: This service area includes support for our current congregations, especially those in transition (in search of a new rostered leader). We will also conduct a search for this Lead Servant; however, the roles will be transitioned with care over time, as we work with our current seven Associates of the Bishop and our Committee of nine Mission District Deans to maintain strong and ongoing support. **Search begins May 16.**

Lead Servant for Growing Young and Emerging Ministries: This service area includes support for ministries to youth, young adults and families; and the new and existing special ministry communities designated as "Synod Authorized Worshiping Communities" (SAWCs) and "Synod Authorized Outreach Communities" (SAOMs). This Lead Servant will help us take our "Growing Young" initiatives into new ministries and new directions. **Search begins May 16.**

Lead Servant for Gaining Strength and 6261: This service area includes support for our rostered minister development groups known as "Gaining Strength Cohorts"; and our 6261 Ministry Communities. **This Lead Servant role will be filled by our current Director for Evangelical Mission, Deacon Kat Tigeman.**

Each of these Lead Servants will be the "go-to" person on staff for each service area. They will work alongside:

Director of Operations: With support from administrative staff, this role will be responsible for human resources, onboarding new staff, evaluation processes, calendar, facility needs, staff meetings, and inner-staff communication. This will include the creation of an electronic planning platform and "dashboard" system for keeping track of key goals and metrics. **Eric Gombert will continue in this role.**

Director of Communications: Reporting to the Director of Operations, this role will continue to coordinate all our internal and external communications. **Stacey Burke is continuing in this role.**

Administrative Coordinators and Contract Support: Reporting to the Director of Operations, our two Administrative Coordinator positions will continue: **Laurie Christian as Leadership Support Coordinator, and Debbie Skinner as Mission Support Coordinator. Pastor Jira Albers will continue as our part-time LLM Coordinator.** We will be adding a third, part-time administrative support for 6261 and LLM. And we will continue to work with as-needed support from Pastor Doug Hill for our Gaining Strength Cohorts; and Pastor Dave Dekemer as a 6261 Coach.

In depth details are available in the "Strategic Intent" document found at godslove.org/2025-strategic-intent.

If you have additional questions, please call or email Bishop Chris deForest at (610) 266-5101, bishopcd@nepsynod.org, or contact our Director of Communication, Stacey Burke, at (610) 266-5101.
