

# Faith Building Resources

For phone, tablet or computer

**Pleasant  
Grove  
CHURCH**

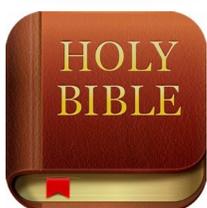

[www.PleasantGrove.info](http://www.PleasantGrove.info)

Our Teachings are archived here. You can access Weekly Bulletin from Homepage. Plus lots of other content about our Church.

## Our Podcast: Good News from The Grove

Available on The Podbean App & Apple Podcasts. Sunday & Wednesday Messages added weekly. All free!

## YouVersion App

Great Bible reading app with several translations and audio Bibles. Also, has several Bible studies and Daily Devo options you can search out by topic. It's a great treasure chest of resources. All free!

## Bible Project App

Explainer videos on every book of the Bible and several on various teachings of the Bible. Several other resources available, too. Must have for every growing believer. All free!

## Cold Case Christianity App

Great resource to help you get answers to questions about Christianity. Resources are from a former Detective who became a Christian. Free with option to purchase other resources!

## Logos: Deep Bible Study App

Crazy amount of Bible Study resources in this software. Free version has several Bible translations, Dictionaries and other resources. Other packages available to gain access to more commentaries and language studies (prices from \$50—to hundreds) Pastor Ron uses this software to study.

## Bible App for Kids

Explore the big stories of the Bible. Made by the folks from YouVersion. All Free!

## Superbook Kids Bible App

Videos, games, audio & more. All Free!

Whenever you study the Bible through a resource or another person, be sure and ask the Holy Spirit for discernment. As someone once said, "Eat the meat and spit out the bones."
