APRIL'S TEACHING FOCUS

- In middle school, we'll continue in our metanarrative teaching through the Bible and we'll cover Jesus' teaching on the Kingdom of God, the book of Acts, and look at a few of Paul's letters to get a feel for how Paul thought about the gospel.
- In high school, we'll be having a conversation around a couple topics: witness, vocation, and the intersection of the two.

SAVE THE SUMMER DATES:

- **“Soul in the City”** | June 16th-18th | Various Locations throughout Colorado Springs
- **Desperation Conference** | July 7th-9th | New Life North
- More information and opportunities to register will be coming soon!

A BLESSING FOR PARENTS:

- Parents, as you parent and disciple your teenagers... May you experience the joy of loving your kids through their most formative years. May you journey with them to the cross with Jesus... taking each difficult moment as an opportunity to love well. And may you experience the joy and beauty of Christ's resurrection through the laughter, shared meals, and transformation in your teen's life. Amen.
