WHAT'S COMING

- **All Gen Service September 6th!** I believe that part of your elementary-aged child's development happens in worship next to you, their parent. We host several all-gen services throughout the year, and my challenge to you is to see this as an opportunity to share in worship alongside your child. Please consider accepting the invitation to allow your child to see you worship and share this time with them. We will have activity bags for your children at our welcome tables.
- **Fall 4th-5th Discipleship Registration is Live:** Discipleship courses are an intentional step in the growth of your upper elementary students and a key part of their journey into middle school. This fall, we will tackle a biblical survey. Discipleship courses will meet at my house on Wednesdays from 4:30-6. All information and dates are available through the event [link](#). We have a few spots left for our course if you haven't signed up yet.

ENCOURAGEMENT FOR PARENTS

I am praying for you continually. I hope this resource allows you to better engage with the movement of our work in the lives of your children and allows us to better partner in discipleship and development. [Linked here](#) are the parenting resources for each lesson; I would challenge you to engage with them. I love being able to play a role in your lives.

As you settle into your Fall rhythms I would encourage you to find ways to connect as a family in formation. I would suggest a resource like the attached free course "Teach Us to Pray" [linked here](#).

Bless your kids, play with your kids, tell your kids the story of Jesus!
