

COMMUNION *of* SAINTS

YOUTH

WHAT'S COMING UP IN JUNE

- **COS “Soul in the City” | June 16th-18th | Various Locations**
 - *Soul in the City is a 3-day experience designed for incoming 6th graders through graduating seniors to grow in their discipleship by leaning into a common faith through the Word of God, sharing in the common life of our church, and working for the common good of Colorado Springs. Each day will consist of a service experience in the morning, a fun activity in the afternoon, and worship with teaching in the evening. Get more information and sign your student up [here](#).*
- **There are a TON of connection opportunities for your student this Summer. Be sure to download and print out the Summer Calendar [here](#).**

JUNE'S TEACHING FOCUS

- In middle school, we'll spend the summer working through the book of James—this book is packed with practical wisdom for middle school students. Encourage your student to read the book five times this summer!
- In high school, we're covering the book of Philippians, working through Paul's letter written from a jail cell.

IMPORTANT NOTES FOR THIS SUMMER

- Desperation Conference (July 7th-9th) registration is LIVE as well! If your student plans on attending with COS Youth, please have them register [here](#). This will be a great connection opportunity for our students!
- Please encourage your students to bring their Bibles on Sunday mornings and Wednesday nights! Our hope is for students to learn to navigate their own Bibles as part of their discipleship.
