

IMMANUEL

VERSE 1

Many years of waiting
For the Promised One
Prophecies foretelling
A Savior would come
At the perfect moment
Every word came true
Angels filled the night sky
To share the good news

Jesus is born
Jesus is born
Je-sus is born

CHORUS

The wonder of the Savior's birth
The King of Heaven came to Earth
The Maker and Creator here to dwell
Jesus, God with us, Immanuel

VERSE 2

What a tiny wonder
A gift from above
The God Who made the whole Earth
Came down like one of us
Shepherds came to worship
Wise men came to see
This promised little child
The long awaited king

Jesus is born
Jesus is born
Je-sus is born

CHORUS

The wonder of the Savior's birth
The King of Heaven came to Earth
The Maker and Creator here to dwell
Jesus, God with us, Immanuel

OUTRO

O come let us adore Him (x4)
