

Redemption Has Come

Intro: 2X

Verse 1:

Once we were homeless
Locked up in darkness
Longing for freedom
And lost in our ways
But then the light came through
The glory of heaven
Changing our stories
And breaking our chains

Chorus: *Choir In - Melody Only*

No longer orphans
Adopted by blood
No longer prisoners
The battle is won
Sing Hallelujah
Redemption has come
No other kingdom
No other throne
Only by Jesus
And Jesus alone
Sing Hallelujah
Redemption has come

Turnaround:

Verse 2: *Harmonies Come In*

We have a future
And it can't be taken
A Father who loves us
And gives us His name
We stand as victors
Children of promise
Lifting our voices
Giving Him praise

Chorus: *Full Energy / Harmonies*

No longer orphans
Adopted by blood
No longer prisoners
The battle is won
Sing Hallelujah
Redemption has come
No other kingdom
No other throne
Only by Jesus
And Jesus alone
Sing Hallelujah
Redemption has come
