In making this application, I understand that:

Tuition costs are established by the Skeels Christian School (SCS) Board of Education. It is the intent of the Board that tuition will remain the same throughout the academic year and will not be impacted by school closures caused by natural disasters, illness, building damage, weather conditions, or other unforeseeable factors.

1. My cooperation is expected in regular tuition payment, practical help, fulfilling Family Service Hours, and faithful prayer support. All accounts from the previous semester must be paid in full before continuing the second semester or re-enrolling for the next year, unless previous arrangements have been made with the administration. Warning letters will be sent out prior to the end of the semester.
2. I will bring any complaints directly to the appropriate teacher or administrator without engaging in destructive verbal criticism of the school or its staff in the presence of my child or friends.
3. The administration has full responsibility for placing my child in the proper grade.
4. The school has full discretion in the classroom discipline of my child.
5. Attendance at Skeels Christian School is a privilege and the school reserves the right to dismiss any student who does not respect its spiritual standards or cooperate in the educational process.
6. I will not allow my child, presently enrolled or transferring to SCS, to utilize class work (i.e. answer keys, class notes, tests, quizzes, homework, labs, etc.) from this or another school that will undermine their responsibilities academically.
7. For my child to participate in scheduled field trips and other school activities, I understand that they will be transported in private vehicles.
8. I give permission to SCS to secure emergency medical and/or emergency surgical treatment for my child if needed.
9. I understand Skeels Christian School does not carry medical insurance on its students. Parents are encouraged to consult with an insurance professional to make sure that their child is covered in transportation to/from, and while at, Skeels or any Skeels events off of campus

I/we are willing to have our child trained in accordance with the above statements.

Consent for Disclosure of Personally Identifiable Information and Immunization Information to Local and State Health Departments

Immunizations are an important part of keeping our children healthy. Schools and State and Local health departments must monitor immunization levels to ensure that all communities are protected from potentially life-threatening diseases and, if necessary, respond promptly to an emerging public health threat. It is important that disease threats be minimized through the monitoring of students being immunized.

Sharing immunization and personally identifiable information including the student's name, Date of Birth, gender, and address with local and state health departments will help to keep your child safe from vaccine preventable diseases. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, requires written parental consent before personally identifiable information and immunization information from your child's education records is disclosed to the health department. If your child is 18 or over, he or she is an "eligible student" and must provide consent for disclosures of information from his or her education records.

You may withdraw your consent to share this information in writing at any time.

I authorize Skeels Christian School to release my child's immunization record and personally identifiable information to the Michigan Department of Health and Human Services and Local Health Department. I understand this information will be used to improve the quality and timeliness of immunization services and to help schools comply with Michigan Law. This includes any immunization information and limited personally identifiable information from the school.
