

2026-2027 Book Credits

Families have the option to acquire used books to help offset their book costs. ISBN numbers should match those listed below. This number is listed on the back of the book by the barcode. Please keep in mind that books need to be in **good condition** and **should not contain any answers**. If the book is ripped or torn or we think it won't last the student the entire time it is needed or if it is written in then it will not be accepted. Highlighting in books is okay! Used books that you acquire should be brought to Parent Orientation where we will check your books in and update your bill that will be sent out in September! Please bring this form with you so we can keep track of your acquired books!
