

MAKING ROOM FOR MORE

CHRISTIAN LIFE CHURCH

"Enlarge the place of your tent,
stretch your tent curtains wide,
do not hold back;
lengthen your cords,
strengthen your stakes.

ISAIAH 54:2

LET'S MAKE ROOM FOR MORE

We are excited to share a powerful vision for Christian Life Church. God has richly blessed us, and now He's calling us to something even greater—to make room for more! We're entering a new season at CLC, a season of building a vibrant community that will impact generations to come. We anticipate 2025 to be a landmark year, marked by increased salvations, strengthened discipleship, the empowering of individuals, and the intentional creation of a welcoming space for all. We will venture into new areas, undertake new initiatives, reach new communities, and make room for growth. The time is now! Let's make room for more!

PASTOR JEREMY AND PASTOR MEG

WE MAKE ROOM FOR

REVIVAL

We're making room for revival! Our church building is getting a makeover to better reflect the vibrant spirit within. This project will revitalize our entire exterior, from a much-needed new roof and eye-catching new signage, to a fresh coat of paint that will breathe new life into our facade. Beyond aesthetics, we're also updating and connecting the sanctuary and education building, creating a more seamless and welcoming experience for all who enter. These improvements will not only enhance our curb appeal but also symbolize the spiritual renewal we seek.

WE MAKE ROOM FOR MORE COMMUNITY

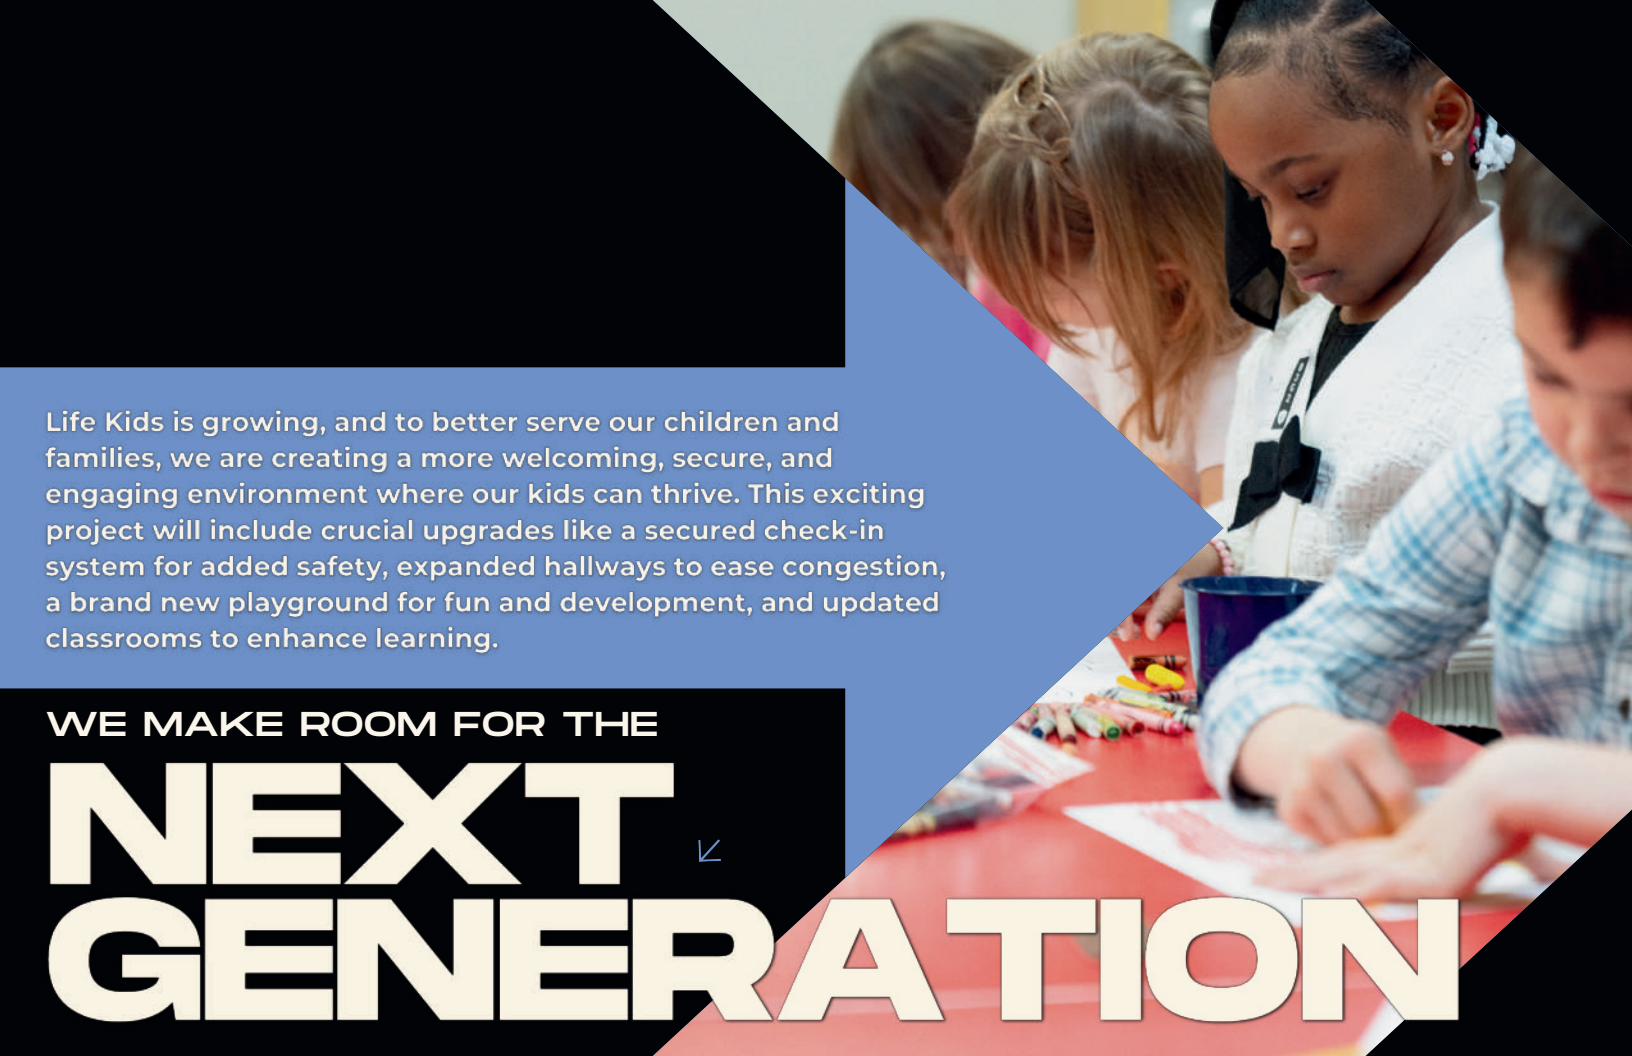

We're making room for community at CLC! Our exciting building expansion project will create a welcoming new foyer and commons area, additional restrooms, updated broadcast and audio spaces, an expanded kitchen, and a vibrant café space. These new spaces will allow us to better connect with one another, host more community events, and expand our outreach programs, ultimately allowing us to welcome even more people into our church family.

A photograph of three children sitting at a red table, focused on drawing. The child on the right is a young girl with dark hair, wearing a white patterned cardigan over a black top, with a white flower in her hair. The child in the middle has long blonde hair. The child on the left is partially visible, wearing a blue and white plaid shirt. They are using various colored markers on a piece of paper. A blue cup is on the table. The background is slightly blurred. The image is divided into geometric sections by diagonal lines in black, blue, and red.

Life Kids is growing, and to better serve our children and families, we are creating a more welcoming, secure, and engaging environment where our kids can thrive. This exciting project will include crucial upgrades like a secured check-in system for added safety, expanded hallways to ease congestion, a brand new playground for fun and development, and updated classrooms to enhance learning.
