

Thank you to everyone who donated to Operation Christmas Child, we were able to fill 300 boxes!!!

Join us for our Wednesday Night Bible Study 6:00 p.m.

Do you know what it means to be a true disciple of Jesus? You may have an academic answer to this question, but what you really believe will be unveiled by how you live. Have you embraced the vital necessity of having Jesus Christ as both the Savior of your soul and Lord of all that you are? In these 8 workbook lessons and accompanying video sermons, Dr. Ian Hamilton seeks to guide you back to Scripture in order to examine what Jesus has to say about what it means to be His follower. The life of a disciple begins with a radically transformative new birth, and from that birth flows a life of following Jesus in obedience. Embracing all that Jesus says about discipleship will cost you everything, but as you unequivocally surrender your life to Him, you will truly find it.
