Do you know what it means to be a true disciple of Jesus?
You may have an academic answer to this question, but
what you really believe will be unveiled by how you live.
Have you embraced the vital necessity of having Jesus
Christ as both the Savior of your soul and Lord of all that
you are?

In these 8 workbook lessons and accompanying video
sermons, Dr. Ian Hamilton seeks to guide you back to
Scripture in order to examine what Jesus has to say about
what it means to be His follower. The life of a disciple
begins with a radically transformative new birth, and from
that birth flows a life of following Jesus in obedience.
Embracing all that Jesus says about discipleship will cost
you everything, but as you unequivocally surrender your
life to Him, you will truly find it.
