

PHYSICIAN MEDICAL EXAMINATION

All athletes who wish to participate in athletics must pass a physical examination by a licensed health provider prior to the first turnout. Students entering 5th grade or any student new to ECS will need a complete sports physical. All other students will need an updated evaluation reviewing their medical history since their last examination. The physician's examination form must be on file in the office. Doctors may require a full physical based on an athlete's needs.

I examined:
