

Jason & Leslie Sutton

Jason and Leslie continue to strive to be a blessing to so many in our community in Fredericktown. As you see the graphic below they are preparing for a community event in March where they are hosting a Spring Picnic as a resource and blessing to all those who will come by. If you would like to know more or interested in helping support, serve, or meet needs they may have you can find them on facebook and message from there.

Pray that God would use their ministry of meeting needs to help people to know that Jesus meets our greatest need that there is salvation in no one else but through Jesus.
