LIGHT
in darkness

10 Years with the Hope Center

February 2026

Dear Friends,

This year will mark our tenth year of being in partnership with the Hope Center. The Hope Center is the second largest residential care facility for sex trafficked or sexually traumatized and exploited women in the United States. We offer complete restorative care and include assistance with their spiritual lives, (our number 1 priority), education, vocation and financial training, physical and mental wholeness, and relational help.

I am the lead Bible teacher and I teach four classes as residents progress through the program. I am the Training manager and give community classes on Human trafficking as well as giving training to new Staff and Volunteers. I am a church liaison and that means I contact and have meetings with pastors on a weekly basis. This means I work a split shift: Hope Center in the mornings and Light in Darkness in the evenings.

The Lord is blessing the Hope Center and in 2025 we provided 3,558 safe nights to survivors of human trafficking. We have over 250 volunteers who all work together to give these ladies a stable home and the love and care that they need. 80 groups came last year to decorate rooms, do landscaping, paint, remodel, and do many much needed projects.

Our food pantry received 645,897 pounds of food to give to the community as well as provide wonderful home cooked meals for our residents. Finally, God used our K9 police dog program to train and equip 78 dogs. We have dogs in police departments in every state now and our dogs on average are saving one sex trafficked child every single day!

As you are praying daily for our Light in Darkness teams, please don't forget to pray for our partner, The Hope Center. Thank you and may God bless you!

Your missionary, **..through love, serve one another... Galatians 5:13**

I love and appreciate you! Happy Valentines Day!
