

Dr. Carolyn Knight

LIGHT

in darkness

10 Years with the Hope Center

April 2026

Dear Friends,

Great News! Last month I shared with you about “K” and that we were to meet again soon. In that meeting she **rededicated her life to Christ!** The next day I got an excited call from her.

“Miss Carolyn, you are not going to believe what just happened!”

“What happened? I can’t wait to hear!” I replied.

“After I got home from talking with you, I thought about how God didn’t want me selling myself in the club. I always hated doing it but now I hate it even more because I don’t want to hurt God! I just got back in a relationship with Him and I don’t want to mess that up. **So, I prayed and I told the Lord that even if I had to go hungry, I would not go back to that club to make money.**”

“You made the right decision.” I said. “I’m proud of you!”

“You are not going to believe what happened! Before I met you I had been sending out applications to companies and this afternoon I got a reply from one of them. **I Got A Job! I start orientation in a week and I start working right after that. The job pays well too!**”

What an answer to prayer and what a faith builder for “K.” That next week she went to church with me and things are continuing to go well. She really likes church, her new job, and she is reading the Gospel of John. I am so thankful to God for hearing her prayer and blessing her like He did! Please continue to pray for “K” to grow in her new found faith. **Bless you all for supporting me so that I can meet girls like “K.” and lead them from Darkness to Light.**

Your missionary, *Call to me and I will answer you....Jeremiah 33:3*

Carolyn

Nothing gives me joy like a new person coming to Christ!
