

Short Term Exposure Trip – Cambodia 2026

Experience.
Create.
Reach.

Story so far:

Clovie has a long-standing partnership with Baptist Mission Australia (BMA), which has recently focused on Gospel projects in Cambodia. We have supported Rob and Deb Griffith, in Seim Reap, for many years and in May 2025, Mike and Michelle Stevens had the privilege to visit and see firsthand the team and various projects in Cambodia. We gave \$30,000 through H4H in 2025 and are committed to continue to invest in God's work through BMA Cambodia. As part of this partnership, we now have the opportunity to participate in a short-term exposure trip.

Purpose of trip:

- Experience God at work and His wider Kingdom, and allow this to transform who we are
- Grow in mission awareness through observing, learning, exploring and experiencing God's work in Cambodia (Specifically through things like local school partnership, sports ministry, hospitality, speech pathology clinic, local village ministry etc).
- Develop further our partnership, experience firsthand God's work in Cambodia and share stories with the wider Clovie family on return.
- Personal discipleship and formation.
- Encourage and bless the team in Cambodia.
- Grow an understanding of God's global mission and our role in this.

When:

Proposed dates: November/ December 2026

Proposed Plan:

- 6 teaching sessions throughout 2026 to equip and unite the team before departure.
- 2 weeks in Seim Reap, participating in various gospel projects and serving the existing team.
- Travel home via Singapore for 2 days debrief before arriving home.

Who:

The team, led by Michelle Stevens (Exec Pastor), Jason Lippitt (Gawler Campus Pastor) and Cate (BMA Missionary in Cambodia) will consist of 8-10 people from Clovie.

Cost: approximately \$2000 pp

Requirements of participants:
