Clovie Gawler Update

It's been an encouraging year at Clovie Gawler as we've continued to serve our community, grow in faith, and build for the future.

A major focus has been Heart for the House, with our community generously contributing over \$7,000 towards our faith goal of \$25,000. These funds will help sustain our ministries and support the search for a medium-term home, enabling a stronger gospel presence in Gawler throughout the week.

We're also excited to see our community outreach continue to grow. Through Breakfast Club at Evanston Gardens Primary School and COACH mentoring, we're supporting local families and individuals in practical ways. We're also preparing for the launch of Pathway Gawler, bringing food relief and community care services closer to those who need them. A recent highlight was blessing the staff at Evanston Gardens Primary with a special coffee day using our new coffee machine.

We've shared some significant moments together this year, including a Passover Seder Meal in April, helping people explore the connections between Passover and Jesus. This month, we've launched a 7-week Alpha Course at the Lippitt home, creating space for conversations about faith and life. We also celebrated as Aly Panepinto was baptised on July 5, publicly declaring her faith in Jesus (see cover photo).

We're grateful for God's faithfulness and excited for what lies ahead.

More Than a Cup Cozy

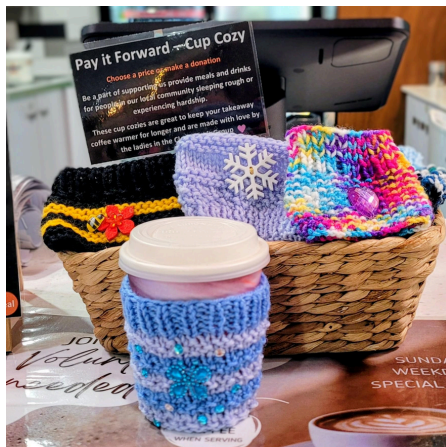

God has creative ways of inviting people to be generous. Late last year a group from our Wednesday Clovie Craft asked if they could make knitted Cup Cozys, with the intent that the proceeds from the sale would go towards a need in the café. These Cup Cozys fit around a takeaway cup to help keep it warm, look adorable and make it feel nice to hold.

We decided to put the proceeds from the sale of the Cup Cozies to our new Pay it Forward program, providing drinks and meals for people experiencing homelessness or other similar circumstances.

What's even more amazing is that we let people say how much they want to pay, and our customers have been very generous giving up to \$20 for one Cup Cozy. So far, we have raised over \$350 from the sale of these which equates to over 40 meals.

It is a joy to witness and be a part of generosity in our church and wider community.

Quench Cafe

I would like to take this opportunity to thank our Clovie church family for your overwhelming generosity in the 2026 H4H offering. We know how much all households have been impacted by the increased cost of living and most households are having to cut back on spending. In the midst of that, to see our church family give with such a depth of generosity was humbling and deeply impactful, not only to our team, but to our volunteers and clients. We are truly grateful.

On Wednesday the 27th of May, we were blessed to have OneSight come to Pathway for the third time to offer free eye test and free eyeglasses to our clients. It was a day filled with joy. There were many stories of clients who had gone without glasses for years, because they couldn't afford them. It's difficult to describe the joy so many clients expressed a few weeks later, when they came to pick up their new glasses. They would try them on, to discover that they can see properly. It's such a blessing to offer this valuable service to our community.
