## **Growth Group Opener:**

**Is there a place or situation in your life where you feel like you're the only one who is standing as a disciple of Jesus?**

***Read: 1 Kings 18:16-46***

Has there been a time when you were wavering between two opinions?  
What helped you choose one or the other?

What does wavering between two opinions look like in our current society?  
What in our culture today is competing with God for people's attention and affections?

How did Elijah handle being the only prophet left? What did he focus on?

When the prophets of Baal had essentially failed the contest and it was Elijah's turn, what was the first thing he did? Why do you think he took the time to do that?

What was Elijah's focus when he prayed for the Lord to send fire?

What differences do you see between Elijah's actions and the actions of the prophets of Baal?

How might this help us discern who is a true follower of Jesus as we encounter people claiming to speak for the Lord on the internet or anywhere else?

What do you notice about Elijah's prayer on top of the mountain, as he is praying for God to finally send rain after so many years of drought?

How might we share Elijah's focus and persistence as we pray this week?

What idols need to be cut out of your life so that you can focus fully on God?

What can we learn about God from these passages?

Is there anything you feel the Holy Spirit nudging you to look at more closely?

**Prayer:**

Father, thank you for being all powerful, yet all loving. Lord, we pray that you would send your fire today to the hearts of your people, and we pray that those who have wandered would return to you. Give us strength of faith and character to continue to stand firm in our faith, even when it feels like we stand alone. Thank you for your presence and your grace. In the name of Jesus, amen.
