THE SEVEN CHURCHES OF REVELATION

Growth Group Opener:

Can you think of a time when you've looked awake, but really were half-asleep?

Week 6: Revelation 3:1-6

What's the difference between being busy for God and being alive in God?

What are the problems and the remedies that are prescribed for this church?

What does it mean that a few in Sardis had not soiled their clothes?

What is the reward for those who remain vibrant in their faith and walk with God?

What might it look like for a church to appear alive, but be spiritually dead?
What characteristics or behaviors might be present?

Imagine what it would be like to be acknowledged by name by someone famous that you look up to, whether it be an author, actor, well-known pastor, athlete, or someone else with a notable talent. Now amplify that, and imagine what it would be like to be acknowledged by name, in front of the God of the universe, by Jesus himself. Imagine the tone of His voice and look in His eyes as he speaks of you.

What would you need to do within your relationship with Jesus, and in your daily practices of life, to come alive in your faith and walk in that kind of friendship now?

What do we learn about God in these passages?

Is there anything you feel the Holy Spirit nudging you to look at more closely?

Consider this in your prayer time this week:

Is there anything in your spiritual life that looks alive from the outside, but that actually needs God to breathe life into it again?

Prayer:

Father, you hold the power over life and death, and we are so grateful that you use that power in our lives. Thank you for your willingness to resurrect the dead pieces of our faith to bring them back to life in you. Prune what needs to die in us, and help your name be always present on our hearts and lips, so that ours may be present on yours. In the name of Jesus, amen.
